REFUND, CANCELLATION, & POSTPONEMENT POLICY: If an event is canceled within 10 days of the scheduled date and Bill's Extreme can fill your spot with another group, we will move your payment up to six months to another date of your choosing. If we aren't able to fill your spot the payment made will be forfeited and cannot be moved or transferred to another event. Should your event need to be postponed for reasons other than inclement weather prior to 10 days of your event, Bill's Extreme Paintball and Laser Tag will make every effort to reschedule your event up to 6 months for a \$25 postponement fee. Should inclement weather be the reason for postponement, your event will be rescheduled with no fee to a date mutually agreed upon by the customer and Bill's Extreme Paintball and Laser Tag within 6 months of original booking date. Please read section titled Bad Weather. No payment will be refunded for any reason.

INCLEMENT WEATHER: There may be occasions when the weather does not cooperate with our scheduled party. Nevertheless, we can have the event in below freezing temperature slight mist or cold, as long as the ground surface is safe. In the event of bad weather (i.e. moderate to heavy rain, lightning, high winds, snow, ice, or severe cold), we reserve the right to reschedule your event for the safety of clients, guests, the staff, and Bill's Extreme Paintball and Laser Tag equipment. If this should occur, the event will be rescheduled with no fee to a date mutually agreed upon by the customer and Bill's Extreme Paintball and Laser Tag within 6 months of the original date booked. We ask that you wait until we are about 12 hours before the event so that both the customer and Bill's Extreme can get a good look at the weather forecast. If the weather forecast is calling for lots of rain, snow, storms, or the temperature will be 38 degrees or below during the playtime we will recommend rescheduling. If your group wants to push forward on a cold day that is usually no problem.
